FREE TECH SUPPORT!

The All Hands On Tech initiative will provide FREE tech support to District of Columbia residents:

Saturday, August 17th

11:00am – 2:00pm

Lamond-Riggs
Neighborhood Library
5401 South Dakota Ave NE
Washington, DC 20011

For more info text FIXED to 83224 or visit connect.dc.gov/free-tech-support

Connect.DC & OCTOhelps bring you All Hands on Tech. One of the most important things a person needs to fully access technology is a functioning computer. Unfortunately, the cost of computer repair is too high for many District residents. Whether you have a laptop with a virus or don't understand how to use your smartphone, we are here to help!
